WISS[®]

Offset Straight Snips

Trusted by the Trades.

Cut more. Safely.

New Crescent/Wiss® Offset Straight Snips are made to keep hands away from the work for safety, but they're also designed for outstanding performance. Compound lever action and precision-cast serrated blades reliably and comfortably cut up to 18-gauge steel with 20% less force. Spring action provides a smooth, effortless feed, even when cutting heavy stock and tight curves. Designed for safety and performance, these snips are another reason why Crescent/Wiss is the first choice of professionals.
