

Durahide™ Construction Gloves

Crescent has partnered with Mechanix Wear to provide work gloves with maximum durability and hand protection for professional tradespeople. Made with Durahide high-performance leather palms and rugged canvas backs, these gloves offer exceptionally long life and high abrasion resistance. Anatomically-shaped thermoplastic rubber (TPR) ribs protect knuckles and fingers from impact while EVA foam palm padding provides superior comfort.

Features and Benefits

- Extended cuff with hook and loop wrist closure for a secure fit
- Rugged canvas back-of-hand construction
- TPR ribs protect knuckles and fingers from impact
- Convenient microfiber thumb sweat wipe
- Durahide™ thumb saddle reinforcement
- Durahide™ performance leather palm provides best-in-class abrasion resistance
- Internal EVA foam palm padding for comfort
- Machine-washable leather
