Punches and Chisels

New Crescent Cold Chisels, Wood Chisels, Nail Punches and Pin Punches are designed to deliver the best in durability, safety, and ease-of-use, with extra-large strike caps that are hardened to prevent mushrooming. Shanks of wood chisels and nail punches have a full metal core for extra durability, while cold chisels feature a recessed “control panel” and longer shanks for extra comfort, safety, and access.

Wood Chisels

The superior design of our Tradesman wood chisels starts with their full metal cores and oversize strike caps. Add in their precision-ground carbon steel blades and you have tools that can take on any jobsite challenge.

15% BETTER ACCESS

High-Viz Coloring  
Rawhide coloring with bold sizing

Striking Cap Design  
Reduces mushrooming and keeps user's hands away from contact

Extended Tool Length  
Added length helps keep your hands away from the working materials and aids in access in hard-to-reach spaces

CCOCH12

Pin Punches

Bold size markings and their high-visibility color make Tradesman pin punches easy to find and select in any toolbox. Recessed Control Panel design allows quicker and more accurate positioning to help jobs go faster.

15% BETTER ACCESS

Extended Tool Length  
Added length helps keep your hands away from the working materials and aids in access in hard-to-reach spaces

High-Viz Coloring  
Rawhide coloring with bold sizing

Recessed Control Panel  
Offers users the ability to quickly locate tool placement while also providing better control while using the tool
