Crescent EDC and Folding Utility Knives

The reimagined pocket knife features a ball bearing assist design for smooth, one-handed deployment, and optimized handle ergonomics for maximum grip and cut control. Its deep pocket belt clip position keeps the knife fully concealed and out of the way when stored.

Hybrid Folding Utility Knife

This knife combines the comfort and convenience of a pocket knife with the versatility of a utility knife. Its ball bearing-assisted deployment and liner lock design make for easy one-handed use, and a deep pocket belt clip keeps the tool comfortably stored.
