

Punches and Chisels

Crescent Punches and Chisels deliver market leading durability and ease-of-use with larger, hardened strike caps, longer shanks, specially hardened cutting edges and tips, and comfortable, non-slip grips.

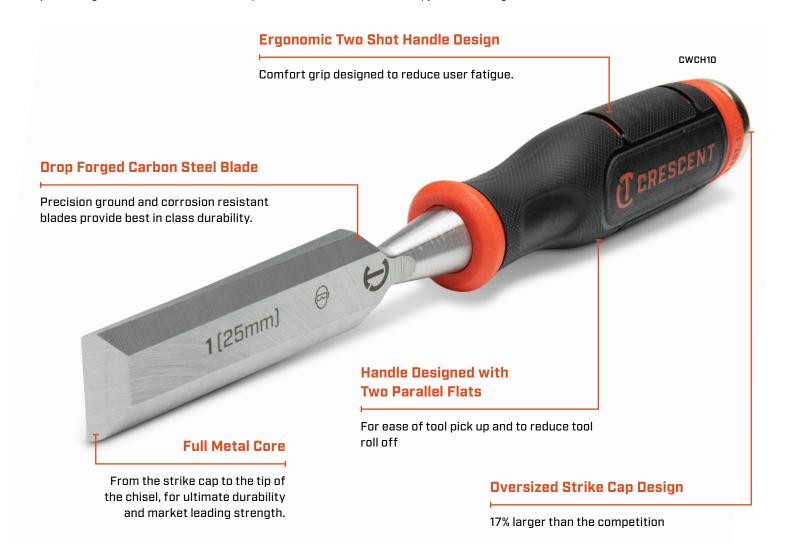

Crescent's new punches and chisels have innovation that allows you to work smarter and harder.

Crescent Chisels and Nail Punches are designed to deliver the best in durability, safety, and ease-of-use. All feature extralarge strike caps that resist mushrooming. Cold chisels feature longer shanks for extra comfort, safety, and access.

Wood Chisels

The superior design of our Tradesman wood chisels starts with their full metal cores and oversize strike caps. Add in their precision-ground carbon steel blades and you have tools that can take on any jobsite challenge.

Nail Punches

Tradesman nail punches deliver outstanding performance with oversize strike caps, an innovative dual flat side design that eliminates tool roll-off, and two-shot ergonomic grips for added comfort and control.

Two Parallel Flats

Designed to reduce tool roll off, ease of pick up and tool storage.

Ergonomic Two Shot Handle Design

Comfort grip designed to reduce user fatigue.

Oversized Strike Cap Design

17% larger than the competition.

Cold Chisels

With their extended length, tradesman cold chisels offer users added control, access, and accuracy, while their new strike cap design reduces mushrooming to improve safety.

High-Viz Coloring

Rawhide coloring with bold sizing.

Strike Cap Design

Reduces mushrooming and keeps user's hands away from contact.

Extended Tool Length

Added length helps keep your hands away from the working materials and aids in access in hard-to-reach spaces.

Chisels with Handguards

With 5x extended product life, dual material comfort grip that reduces user fatigue and corrosion resistant blades to extend the length of your chisel.

Extended Product Life

Improves product life 5X by decreasing failure in the weakest spot of the handguard.

Dual Material Comfort Grip

Comfort grip designed to reduce user fatigue.

Corrosion Resistant Blades

Precision ground and corrosion resistant blades provide best in class durability.
