Measuring Wheels

The wheel, reinvented with Crescent's new handle-mounted counter.

CRESCENT

The Wheel, Reinvented

Measuring wheels have remained unchanged for decades. Crescent reinvents the wheel with the first-to-market analog handle-mounted counter for strain-free, accurate measuring.

Easy Read Handle Mounted Counter

Counter raised to handle for market leading visibility

Folding Design

Folding joint for easy storage when not in use

Gear Drive Counter

Accurate measurements over long distances, measures up to 9,999 feet, 11 inches

Comfort Grip Handle

Pistol grip handle and centerline balance reduces strain during extended use

Clamp Lock Telescoping Handle

For more secure & faster handle height adjustments

Integrated Kickstand

Allows the measuring wheel to stand up on its own

Clamp Lock Telescoping Handle

For more secure & faster handle height adjustments

Hands Free Reset

Counter can be reset by foot for best-in-class accessibility
