

CRESCENT

2-in-1 Combo Plier

Crescent's 2-in-1 Lineman's Plier and Wire Stripper combines two essential wiring functions into a single tool

Two essential wiring functions combined in a single tool.

The Crescent 2-in-1 Lineman's Plier and Wire Stripper features an innovative design allowing it to do the job of two tools without sacrificing performance. The plier features two sets of jaws — a lineman head and a wire stripper head — between the handles. The slide lock switch locks the handles in place for the desired plier head and makes switching between the two heads quick and easy.
