

CRESCENT

Chainsaw Files

Sharp chainsaws start with
the right file

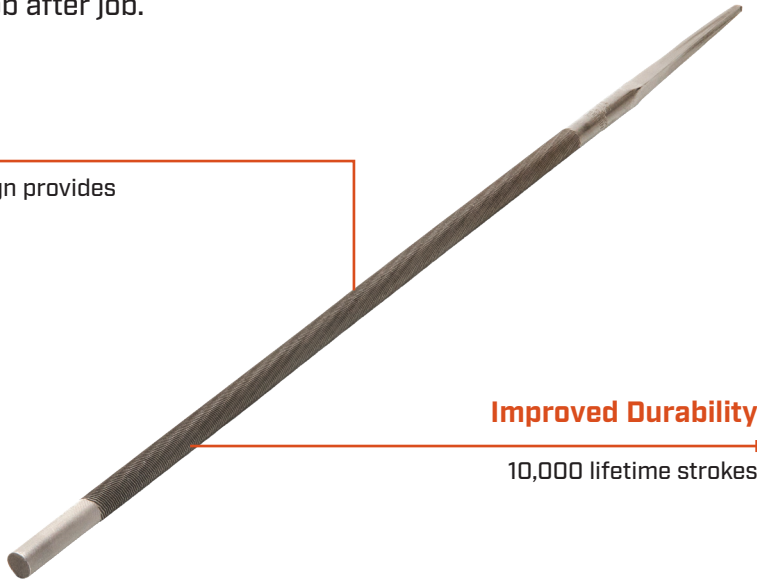

CRESCENT

Sharp Chainsaws Start With The Right File

Built to restore sharpness, our chainsaw files are designed with a uniform design to deliver consistent edge restoration. Ideal for routine maintenance, they help extend chain life and support cleaner, more controlled cuts job after job.

Fast Sharpening

Improved tooth design provides greater efficiency

Improved Durability

10,000 lifetime strokes

Superior Material Removal

For smooth finish

CHAINSAW FILES

Cat. No.	Description	File/Rasp Length	Diameter	File Cut	Handled	Packaging	Units Per Package	Product Weight	Shelf Pack Qty.
02228B-1	Round Chainsaw File	8"	5/32"	Knurl Cut	No	Bagged	3	0.04 lb	12
02229B-1	Round Chainsaw File	8"	3/16"	Knurl Cut	No	Bagged	3	0.06 lb	12
