

CRESCENT

Wide Jaw Adjustable Wrenches

Crescent's Wide Jaw Adjustable Wrenches open wide to work on fasteners that would need the next larger size standard adjustable, saving weight in your toolbox.

WIDE JAW ADJUSTABLE WRENCH

Get Next Level Strength and Adjust-Ability.

Crescent Wide Jaw Adjustable Wrenches really punch above their weight when it comes to strength and jaw capacity. They open wide to work on fasteners that would need the next larger size of standard adjustable, saving weight and bulk in your toolbox. A 10-inch Crescent Wide Jaw has the same strength and jaw capacity as a 12-inch standard adjustable. So lighten your load with these innovative new tools from Crescent...the original name in adjustable wrenches.
