

DATA CENTER SOLUTIONS GUIDE

TOOLS PROS TURN TO

Reliability and efficiency are critical on the job, making the Apex Tool Group portfolio of tools a great choice. Apex offers a broad range of professional-grade hand tools, torque tools, cutting tools, and specialty solutions that are engineered for demanding environments. With a trusted tool portfolio, project teams can improve workmanship, and ensure quality installation throughout the entire process.

DATA CENTER LIFECYCLE

From initial site preparation through ongoing facility maintenance, ATG solutions support the tools and applications needed throughout the data center lifecycle. Explore key solutions for each phase, then dive deeper into our core solution areas throughout this guide.

STORAGE, MOBILITY, & ORGANIZATION

Data center projects require tools, equipment and materials to stay secure, organized and accessible across large, fast-moving jobsites. Crescent JOBOX, RAILWORKS and SITERUNNER solutions provide durable storage and mobile workstations designed to help crews protect valuable equipment, improve organization and keep essential tools close to the work.

CARTS & CART ACCESSORIES

SITERUNNER™ FOLDING JOBSITE CART

HOLDS WHERE YOU NEED IT, FOLDS WHEN YOU DON'T

Versatile Palm Grip

Optimized control and maneuverability. Doubles as hanging notch for tool belt, hard hat, etc.

Tool Strap

Looped webbing for convenient tool storage and quick access

300 lb. Capacity

Designed for tradesman end use applications holding up to 100 pounds per shelf or 300 pounds total

T-Lock

For secure storage between jobs

Carry Handle

Durable handle supports easy transport

MECHANICAL, ELECTRICAL, & PLUMBING

Mechanical, electrical and plumbing systems form the critical infrastructure that keeps data centers operating. Crescent and GEARWRENCH offer a broad range of professional hand tools for installation work, including insulated tools, pliers, cutters, screwdrivers, wrenches and electrical testing solutions built for the demands of MEP trades.

MECHANICS TOOL SETS

VDE INSULATED TOOL SETS

VDE Certified and IEC 60900 Compliant

Each tool is rated safe for use up to 1,000V and tested to withstand 10,000V

Pre-Cut Nested Tool Storage

Each tool nests in a laser-formed cutout that provides protection and keeps tools organized and easily accessible

Drop Forged From Chrome Vanadium Alloy Steel (Cr-V)

For exceptional strength and durability

GWVDE72

Slim Insulation Profile

Allows better access in tight spaces without sacrificing safety

GWVDE39

Ergonomic Tool Design

Ensures a secure grip and reduced hand fatigue for greater comfort and control

GWVDE20

LAYOUT, MEASURING, & JOBSITE SETUP

Successful large commercial projects begin with accurate measurement and end with superior execution. Apex offers a complete range of measuring, marking, leveling, and striking tools engineered to support construction every step of the way. With rugged performance and trusted precision, Apex helps contractors streamline workflows, improve installation quality, and keep projects moving forward.

HEAVY STRIKING

HEADLOCK™ FIBERGLASS SLEDGEHAMMERS

PUT HARD WORK IN A HEADLOCK

The HEADLOCK™ System
Provides multiple points of contact with the sledge head to prevent the head from separating from the handle

Waffle Face on One Side
Provides grip while striking

Indestructible Steel Overstrike Protection
Included on 36" models defends against damage from mishits

Vibration Control Handle
Full-length reinforced fiberglass core to reduce shock and vibration

Ergonomic Grip
Provides a comfortable swing

CSHF16

Cat. No.	Description
CSHF8	8lb Fiberglass 36" Sledge Hammer
CSHF10	10lb Fiberglass 36" Sledge Hammer
CSHF12	12lb Fiberglass 36" Sledge Hammer
CSHF16	16lb Fiberglass 36" Sledge Hammer

NITE EYE TAPE MEASURES

SHOCKFORCE® ULTIMATE DURABILITY

High Impact Case with Metal Guard Rails
Drop tested 120 FT, providing ultimate durability

LM1325B-02

STABLEWING Blade
1-1/4 in wide blade with flatter profile provides improved stability and rollover resistance

NITE EYE™ XL Blade Print
Double sided blade with high-contrast XL markings improves legibility in all light conditions

17' Reach
Wider, thicker blade provides 17' of reach

Cat. No.	Description
L1325B-02	1-1/4" x 25' SHOCKFORCE® NITE EYE™ Tape Measure
L1335B-02	1-1/4" x 35' SHOCKFORCE® NITE EYE™ Tape Measure

WORKHORSE RUGGED AND RELIABLE

Compact Case With Grip Zones
Designed to fit comfortably in your hand with strategically-textured rubber over-mold for secure grip

L1125NE

Tri-Layer Blade
6" of protective barrier on the blade reduces rips and tears

NITE EYE™ XL Blade Print
Double sided blade with high-contrast XL markings improves legibility in all light conditions

360-Degree End Hook
Improves grasping power from all angles

Cat. No.	Description
L1125NE	1-1/4" x 25' WORKHORSE NITE EYE™ Tape Measure
L1135NE	1-1/4" x 35' WORKHORSE NITE EYE™ Tape Measure

CONTROLTOUCH COMPACT AND LIGHTWEIGHT

Anti-Pinch Finger Brake
For increased control when retracting the tape

L1025CB-02

Quick Read Fractional Scale
Along blade for immediate identification of measurement

NITE EYE™ XL Blade Print
Double sided blade with high-contrast XL markings improves legibility in all light conditions

Cat. No.	Description
L1025CB-02	1-3/16" x 25' CONTROLTOUCH NITE EYE™ Tape Measure
L1035CB-02	1-3/16" x 35' CONTROLTOUCH NITE EYE™ Tape Measure

PROUD TO OFFER THESE POWERFUL BRANDS

GEARWRENCH

GEARWRENCH Automotive and Industrial hand tools offer a complete portfolio of professional-grade hand tools, automotive diagnostic tools, specialty tools, extraction tools, torque solutions, tool storage and service equipment engineered to improve productivity, precision and performance.

CRESCENT

The Crescent® product portfolio extends beyond our industry-leading adjustable wrench to include a comprehensive selection of other professional tools like, carts, measuring products, sledgehammers, snips, shears, files, heavy-duty cutting products, storage solutions and more.

Cleco®

Assembly Production and Material Removal Tools

APEX

Industrial Fastener Tools

Jacobs®

Drill Chucks, Keys, and Industrial Tool Holders

Weller®

Erem® Xcelite®
Weller Weller

The Weller portfolio provides a complete soldering and electronics workbench ecosystem.
