Crescent® Tradesman Tool Bags... Made Tough To Keep Your Tools In Order and Accessible

DURABLE – All bags have a hard polypropylene base that's built to protect your tools from impact and moisture. All bags come with a 3-year warranty.

ORGANIZED – Center panels separate tools and allow for additional storage sleeves. Sleeves are open-bottom design so small bits never get lost at the bottom of narrow pockets.

ACCESSIBLE – PALS-style webbing allows fast and easy access to frequently used tools. Bright orange interiors make it easier to see tools in low light conditions and dark jobsites.
