SITE-VAULT™ HEAVY-DUTY CHESTS

Designed for optimal organization, premium access, weather resistance and security, our chests are built to work smarter and harder. Our patented locking system has a full-length steel lock console with three locking points and fluorescent reflective orange tape to indicate when the box is in the locked or unlocked position.

Reinforced Lid with Full-Length Bolster

Reduces damage from excess stacking weight and resists pry bar entry

Site-Vault™ Security System

The patented system has a full-length steel lock console with three locking points and fluorescent reflective orange tape that indicates chest is locked

Dual Built-In Lid Storage Bins

Cargo nets hold items like first aid kit, manuals, rain gear and safety items

EZ-Lock Arm

Securely locks lid open

Lid Control Gas Spring

Eases lifting and prevents lid from slamming shut

Integrated Sidewall Cargo Bin

Convenient storage for small tools and parts

Recessed Handles

Prevent pinched fingers and damage to the handle

MADE IN THE USA

2-654990

EZ-Loader 4-Way Skid Bolsters

Allow fork lift loading from any side for quicker and easier transport

SITE-VAULT™ HEAVY DUTY CHESTS

- Site-Vault™ security system is a patented system with 3 locking points and a reflective orange lock indicator that shows when the box is locked
- Heavy-duty beveled edge lid eliminates sharp front lid corners and enhances lid strength
- Dual built-in lid storage with integrated cargo nets is perfect for gear and small tools
- EZ-Lock support arm secures and locks lid in open position for safe use
- Upgraded lock system now allows usage of padlock models Master #1, #5, #175 and American #50
- Integrated sidewall cargo bin provides convenient storage for small tools
- Ergonomic lifting handles are positioned inside deep recesses to prevent pinched knuckles and damage to handles
- Heavy-duty EZ-Loader 4-way skid bolsters allow fork lift loading from any side for quicker and easier transport
- Skid bolsters are compatible with casters (not included) for easy mobility
- Heavy-duty hinge is staked and welded to prevent the pin from being forced out for break in

Built to protect your tools from impact and moisture

BACKPACK

- Professional grade backpack is ideal for everyday use, with an adjustable front pocket to hold large items like electrical cords
- 4 exterior pockets and 34 interior pockets for all parts as well as exterior pockets for the frequently used tools
- Hard polypropylene base resists moisture and withstands impacts, delivering lasting durability
- Bright orange interior helps you find your tools faster in darker environments
- Made with 1680D polyester and metal hardware to hold up on the toughest jobsite
- Inner sleeves are open at the bottom so small items won't get lost in narrow pockets
- Specialized magnetic pocket stores items for quick access
- Ergonomic handle is easy to grab and provides a comfortable, nonslip grip
- Includes a water bottle holder and a tape measure clip for added convenience

Cat. No.	Color	Depth	Width	Height	Product Weight
CTB1000T	Rawhide, Black & Gray	14 in	10 in	18 in	8.000 lb

CLOSED TOP TOOL BAGS

- Professional grade closed top bag is ideal for everyday use in rugged conditions
- Over 30 total pockets provide organization
- Hard polypropylene base resists moisture and withstands impacts, delivering lasting durability
- Bright orange interior helps you find your tools faster in darker environments
- Made with 1680D polyester and metal hardware to hold up on the toughest jobsite
- Interior and exterior PALS-style loops provide quick, easy access to our frequently used tools
- Inner sleeves are open at the bottom so small items won't get lost deep in narrow pockets
- Adjustable, padded shoulder strap and padded nonslip bar handle make carrying the bag more comfortable
- Includes a water bottle holder and a tape measure clip for added convenience

Cat. No.	Color	Depth	Height	Product Weight
CTB1450T	Rawhide, Black & Gray	14 in	14.5 in	5.220 lb
CTB1750T	Rawhide, Black & Gray	17 in	16.7 in	6.550 lb

OPEN TOP TOOL BAGS

- Professional grade open top bag is ideal for everyday use in rugged conditions
- 17 interior and 8 exterior pockets line the bag, so you can keep your equipment in order
- Hard polypropylene base resists moisture and withstands impacts, delivering lasting durability
- Bright orange interior helps you find your tools faster in darker environments
- Tape measure clip for added convenience
- Made with 1680D polyester and metal hardware to hold up on the toughest jobsite
- Center metal handle meets durability standards and provides comfort while carrying the bag from job to job
- Adjustable, padded shoulder strap and padded nonslip bar handle make carrying the bag more comfortable

20" CONTRACTOR TOOL BAG

- Professional grade contractor bulk bag is perfect for everyday use in rugged conditions
- 12 exterior and 19 interior pockets provide a variety of storage and organization options for materials, tools and small parts
- Hard polypropylene base resists moisture and withstands impacts, delivering lasting durability
- Bright orange interior helps you find your tools faster in darker environments
- Made with 1680D polyester and metal hardware to hold up on the toughest jobsite
- 26 PALS-style loops on the outside of the bag provide quick, easy access to your frequently used tools
- Two padded handles make carrying the bag more comfortable and distribute the bag's weight for added durability
- Padded shoulder strap provides convenient, hands-free transportation

Cat. No.	Color	Depth	Height	Product Weight
CTB2010T	Rawhide, Black & Gray	20 in	13 in	4.870 lb

ROLLING TOOL BAG

- Professional grade rolling bag is ideal for everyday use in rugged conditions
- 200-lb lid capacity allows you to carry all your tool bags together
- Magnetic lid for easy access
- Bright orange interior helps you find your tools faster in darker environments
- 1680 denier ballistic weave material for rugged durability
- Ergonomically designed top handle and telescoping pull handle for comfort and easy mobility
- 35 total pockets for ultimate tool storage capability
- 6 interior and 7 exterior pockets line the bag, so you can keep your equipment in order
- 23 PALS-style loops provide quick, easy access to your frequently used tools

Cat. No.	Color	Height	Product Weight
CTBR1850T	Rawhide, Black & Gray	18 in	15.590 lb

STEEL TRANSFER TANKS

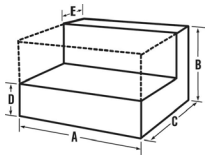

Our tanks feature 14-gauge construction for long-term durability. JOBOX models 498000 and 498002 are made for short bed trucks – including trucks with 4-door cabs. The unique design has extended sides above both wheel wells to increase the capacity. All tanks are pressure tested for leaks.

STEEL TRANSFER TANKS

- Tanks have internal baffles for extra strength and to control the flow of contents when moving
- 2" NPT reinforced bungs allow mounting a pump on either side of the tank
- Built-in lifting rings to assist with lifting and moving an empty tank
- Lockable filler cap and coupler prevent excessive pressure build up
- Heavy-duty brackets to secure the tank to the truck bed
- Safety fill capacity allows space for the contents to expand in warm weather
- Drain plug allows for safe drainage of combustible liquids
