

CRESCENT

Punches and Chisels

WORK SMARTER. STRIKE HARDER.
WITH CRESCENT PUNCHES AND CHISELS.

Crescent Chisels and Nail Punches are designed to deliver the best in durability, safety, and ease-of-use. All feature extra-large strike caps that resist mushrooming. Cold chisels feature longer shanks for extra comfort, safety, and access.

Wood Chisels

Ergonomic Two Shot Handle Design

Comfort grip designed to reduce user fatigue

Drop Forged Carbon Steel Blade

Precision ground and corrosion resistant blades provide best in class durability

CWCH10

Handle Designed with Two Parallel Flats

For ease of tool pick up and to reduce tool roll off

Full Metal Core

From the strike cap to the tip of the chisel, for ultimate durability and market leading strength

Oversized Strike Cap Design

17% larger than the competition

Punches and Chisels

Nail Punches

Tradesman nail punches deliver outstanding performance with oversize strike caps, an innovative dual flat side design that eliminates tool roll-off, and two-shot ergonomic grips for added comfort and control.

Two Parallel Flats
Designed to reduce tool roll off, ease of pick up and tool storage

Ergonomic Two Shot Handle Design
Comfort grip designed to reduce user fatigue

Oversized Strike Cap Design
17% larger than the competition

CNPS12332G

17% LARGER END CAP

COMFORT GRIP

Cold Chisels

With their extended length, tradesman cold chisels offer users added control, access, and accuracy, while their new strike cap design reduces mushrooming to improve safety.

Hi-Viz® Coloring
Rawhide coloring with bold sizing

Strike Cap Design
Reduces mushrooming and keeps user's hands away from contact

Extended Tool Length
Added length helps keep your hands away from the working materials and aids in access in hard-to-reach spaces

CCOCH12

17% LARGER END CAP

15% GREATER ACCESS

Chisels with Handguards

With 5x extended product life, dual material comfort grip that reduces user fatigue and corrosion resistant blades to extend the length of your chisel.

Extended Product Life
Improves product life 5X by decreasing failure in the weakest spot of the handguard

Dual Material Comfort Grip
Comfort grip designed to reduce user fatigue

Corrosion Resistant Blades
Precision ground and corrosion resistant blades provide best in class durability
