Specialty Plier Expansion

INTRODUCING OUR FULL LINE OF SPECIALTY PLIERS

Pros want three things from their tools... Quality, Durability, and Value. Our line of specialty pliers delivers on all three. And with our new selections of VDE certified pliers, mini pliers, plastic-cutting pliers, and more, we've gone beyond that to provide one of the widest lines of professional pliers ever. Our expanded line of specialty pliers gives you quality, durability, and now unmatched choice, all with famous Crescent value that the premium brands can't touch.

Insulated Pliers

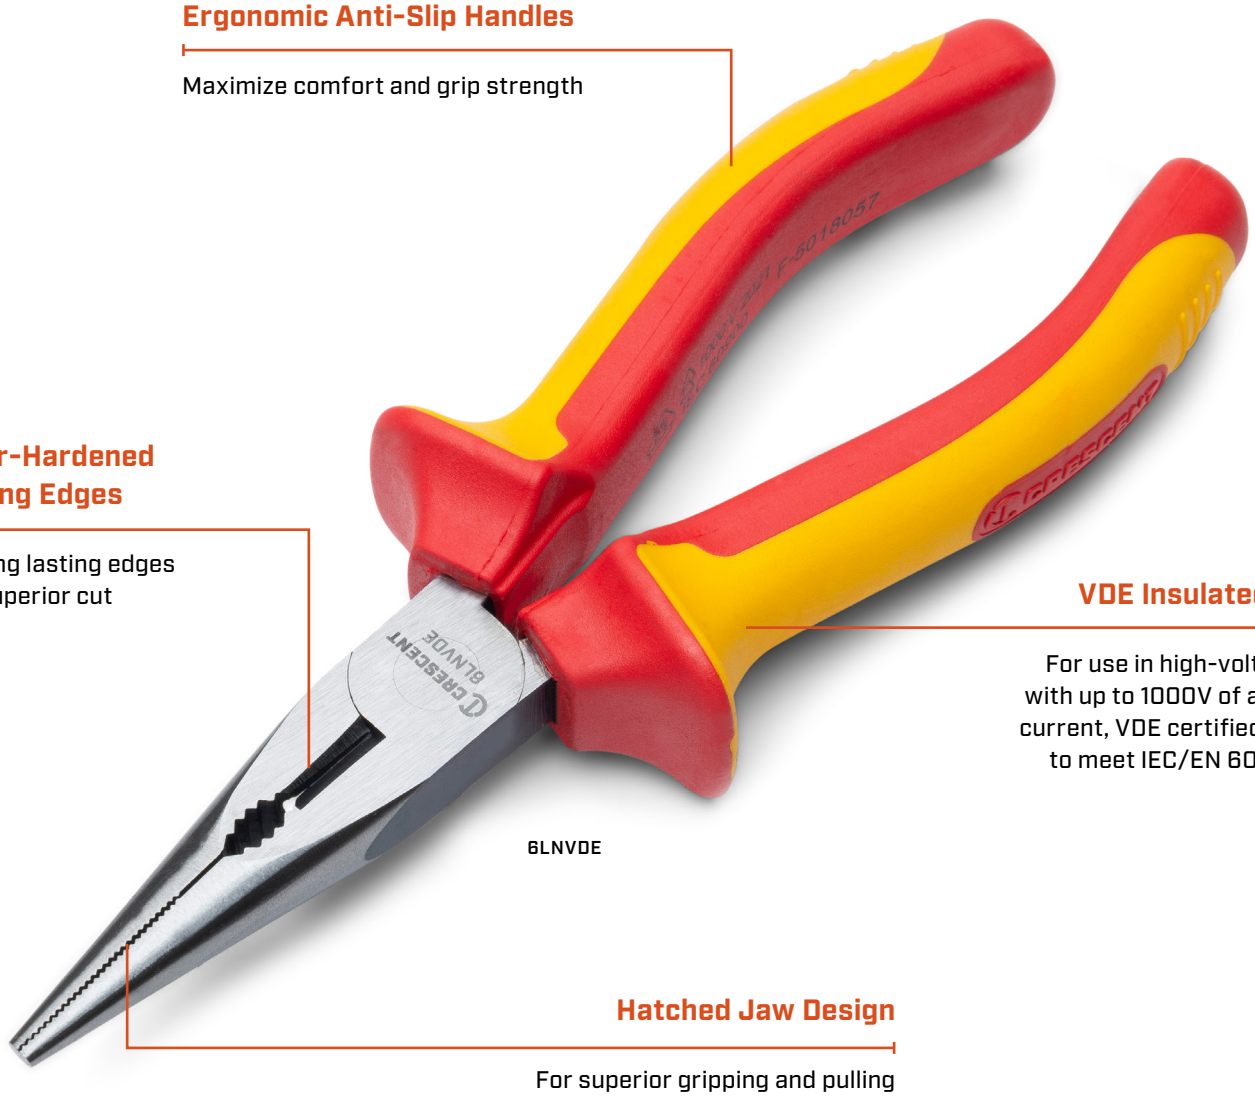

These pliers have insulated handles for use in high-voltage areas up to 1,000V AC. They're VDE Certified and are made to meet stringent IEC/EN 60900-2012 standards so they can be used with confidence.
