

CRESCENT®

Multi-Bit Drivers

Trusted by the Trades.

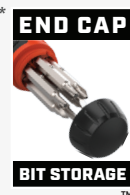

Always ready to get the job done.

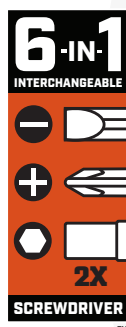

Crescent Multi-Bit Drivers are the best tools for jobs where you want to get in and get out fast. Multiple bits fit all popular fasteners and store right in the handle, while ratcheting action makes work quick. Dual-material grips provide outstanding comfort and the pattern-textured, oil-resistant, non-slip surface gives added grip to maximize torque and control. Compact and versatile, Crescent Multi-Bits have your driver needs covered.

High Torque Ratchet Driver
Allows for faster driving

Interchangeable S2 Steel Bits
Covers the most common applications for everyday jobsite use

End Cap Bit Storage
Keeps bits organized and easily accessible

Dual Material Grip
Provides superior comfort, and is oil and solvent resistant

Plated Shaft
For superior corrosion-resistance

*High Torque Ratchet Driver and End Cap Bit Storage on CMBS11R and CMBS61R only.
