TOUGH**

MORE THAN TOUGH

Tough gets the job done.
Smart gets the job done right.

Crescent's L600 Tape Measures are the tape to call your own.

Tape Measures

Available in 10', 16' and 25' lengths.

The Crescent L600 Tape measure's durable, highly visible case and name space will ensure you never lose track of your favorite tape. Its smooth action lock button makes using it a breeze. The L600 Tape Measure has large print and bold markings ensuring accuracy with every use. This tape was made for solo jobs with a nail slot for long measurements and a tether hole to prevent drops.

Smooth Action Lock Button

For ultimate control.

L625-02

Integrated Nail Slot

For solo measurements.

Tether-Ready Slot

For safely working at heights.

High-Visibility Case and Name Space
